

# HELP FOR THE HOLIDAYS

Helping local families and children in need is what FLD Charities is all about - especially at the holidays. That's why we couldn't be prouder to participate - for the 10th year in a row - in the Boynton Beach Police Department's annual holiday toy drive. As in year's past, our associates and their families collected dozens of toys for this year's drive. Thanks BBPD for making the season bright for area kids!
